CREATING A SUSTAINABLE FUTURE

American Eagle Paper Mills® began operating in Tyrone, PA in 1880. In 2003, the mill made a firm commitment to sustainability, retooling and rebuilding to better support the community and the environment. Today, American Eagle Paper Mills® produces over 300 tons of premium recycled paper every day, with the mill operating under dramatically reduced greenhouse emissions and more than an 80% reduction in water usage. We've dedicated ourselves to bringing premium, high performance recycled paper to new markets and customers. American Eagle Paper Mills® is proud to be the only USA owned and operated manufacturer of up to 100% recycled paper.
