CREATING A SUSTAINABLE FUTURE

American Eagle Paper Mills® began operating in Tyrone, PA in 1880. In 2003, the mill made a firm commitment to sustainability, retooling and rebuilding to better support the community and the environment. Today, American Eagle Paper Mills produces over 300 tons of premium recycled paper every day, with the mill operating under dramatically reduced greenhouse emissions and more than an 80% reduction in water usage. We've dedicated ourselves to bringing premium, high performance recycled paper to new markets and customers as America's only 100% recycled color paper provider.
